Dear Commissioner,

I am writing you in regards to a very important Bill about "downed animals" I must stress that it has innumerable significance to me and I would appreciate your vote for it. I am shocked and appalled to find that this was not taken care of in the 1906 Food and Drug act. Please remember to vote it is very crucial for the health of America. It is Docket # 98P-0151/CPI.

Sincerely Yours,
